

**Quality Marine  
Equipment Since 1981**

**PSS SHAFT SEAL:** As you may know PSS is no longer part of the PYI family of products. As a company we still are involved in the product and can deliver a PSS if part of another product order. For all PSS only orders, please contact "PSS SEAL LLC" at 425-400-1772, [info@pssseal.com](mailto:info@pssseal.com) or [www.pssseal.com](http://www.pssseal.com)

**PYI Inc** was established in 1981 and will continue to deliver the highest quality marine products combined with industry leading sales and technical support. This support comes from an experienced team with a vast boating experience almost unequaled in our industry.

#### **THE PYI Family OF PRODUCTS:**

**Max-Prop: Feathering Sailboat Propeller** - Max-Prop remains the gold standard in low drag propellers, providing unmatched performance, fuel efficiency, and maneuverability for sailboats worldwide. More than 300,000 propellers have been sold through more than 50 years of progressive product evolution.

**Fendertex – The World’s Most Durable & Lightest Inflatable Fender** - Fendertex inflatable textile fenders offer unmatched durability, lightweight performance, and space-saving storage, making them the ideal solution for boats from a ski boat to a mega yacht.

**Jefa Rudder Bearings, Rudders, Steering & Autopilot Drive-** Jefa Steering, the worldwide industry leader, is renowned for its high-quality, low-friction steering systems and bearings designed for sailboats of all sizes. From steering pedestals to self-aligning rudder bearings, Jefa products ensure smooth, reliable, low maintenance steering solutions for your boat.

**Lecomble & Schmitt – Autopilot Drive, Hydraulic Steering Excellence** - Lecomble & Schmitt (L&S) is a leader in hydraulic steering solutions, offering robust, high-performance systems for powerboats, sailboats, and commercial vessels.

**R&D Marine – Premium Engine Mounts & Couplings** - Minimize engine vibration and enhance drivetrain longevity with R&D Marine’s industry-leading engine mounts and flexible couplings, and damper plates engineered for both leisure and commercial vessels.

**PYI Hose Clamps – Superior Strength & Corrosion Resistance** - PYI Hose Clamps are engineered for maximum durability and reliability in the harshest marine environments. Made from 316 stainless steel, they provide exceptional corrosion resistance, a rolled-edge design to prevent damage to hoses and a non-perforated band for superior sealing.

**KiwiGrip – Durable, Non-Skid Coating for a Safer Deck** - KiwiGrip is a high-performance, non-skid deck coating designed to provide a durable, customizable, non-toxic (water based) and easy-to-apply anti-slip surface. Its unique formulation offers long-lasting grip, UV resistance, and a uniform finish.
